Farm to School Initiatives Discussion

The members discussed adding the MCIU Farm to School initiatives to the scope of discussion for the Student Wellness Committee.

Summer Food Services Program – Planning for 2019

MCIU would like to expand the Summer Food Service Program to other areas as currently we have only been serving in Norristown and Pottstown. The Student Wellness Committee was asked to spread the word to programs that may be interested.

Feedback from the Field (Concerns, New Ideas, etc.)

It was reported that as of right now no one has requested for an exemption for fundraisers or parties.

The Committee reviewed the possible space for a greenhouse at the Anderson School. Once in place, this space would support both science and nutrition initiatives for the School.
