

# PA K-12 THREAT ASSESSMENT

In this training, school threat assessment team members will learn the PA K-12 Threat Assessment guidelines and procedures. This Threat Assessment model incorporates risk assessment protocols, utilizes SAP teams, addresses Safe2Say reporting, and meets Act 18 requirements.

## **AUDIENCE:**

The MCIU Transitioning to PA K-12 Threat Assessment Model is appropriate for all current school threat assessment personnel, including team members trained in other formats as well as new participants.
